

# Company Fact Sheet

## Overview

USAV is an alliance of leading professional audio-visual integration companies located throughout the U.S. and Canada. Each dealer member is dedicated to designing, sourcing, implementing, and supporting commercial audio-visual projects. In addition to providing members peer network of integrators to discuss experiences and share business strategy, USAV also offers access to exclusive purchasing programs with top AV suppliers.

## Milestones

2011: USAV celebrates 10 year anniversary.

2010: USAV membership surpasses 40 integrator companies.

2007: USAV adds a second level of membership, the buying group.

2006: USAV dealers serve U.S. metropolitan areas with over 100 million in population.

2003: USAV dealers generate over 100 million dollars of gross revenue.

2002: USAV hosts the first Integrators' meeting.

2001: USAV is founded by Chris Whitley and a small group of visionaries.
